Austria: Guest country of PMRExpO 2014 in Cologne

Austria is the guest country of PMRExpO 2014, one of the largest and most important events for professional mobile radio and control centres. Michael Love, Austrian Trade Commissioner in Frankfurt am Main, explained the involvement of Germany's southern neighbour at PMRExpO, from 25 to 27 November in Cologne: "Austria is represented on the market for professional mobile radio and control centres, through well-known companies who are at the forefront of technology." These well-known companies include the exhibitors, Center Communication Systems GmbH (Hall 10.2/D14), eurofunk Kappacher GmbH (Hall 10.2/E04), FREQUENTIS AG (Hall 10.2/B03) and Tait Communications GmbH (Hall 10.2/E6). In addition, experts from Austria are involved as speakers in specialised forums and at the conferences. The fire brigade magazine, "BRENNPUNKT" and the "Connection Magazine" are the Austrian media partners at PMRExpO.

Info-Point of the Austrian Trade Delegation

ADVANTAGE AUSTRIA Austrian Trade Delegation with a base in Frankfurt am Main, is represented at the exhibition with an Information Point (Hall 10.2/C16). "As ADVANTAGE AUSTRIA, we have an extensive global network of trade delegations, foreign trade centres and foreign trade offices through which we support our Austrian companies throughout the world," commented Michael Love.

Get-together with an Austrian touch

At this year's PMRExpO, Michael Love is expecting to forge many new contacts with German and European companies within the industry, in addition to the Austrian exhibitors and participants in the specialist forums and conferences. On the first evening of the exhibition (25 November), at 5:45 p.m., ADVANTAGE AUSTRIA, together with the event organiser, EW Medien und Kongresse GmbH, invites all participants to attend a get-together on the boulevard, with Austrian wine and other delicacies.
