

Press Release

Frankfurt am Main, 27 April 2015

Save the Date

PMRExpO 2015 from 24 to 26 November in Cologne

Announcing the 15th European trade fair for Professional Mobile Radio and control centres

PMRExpO 2015 will take place from 24 to 26 November at Koelnmesse. Once again, both the trade fair and the accompanying programme of talks will be offering news of innovations and information about Professional Mobile Radio (PMR) and control centres. Many national and international exhibitors have secured their stand at the exhibition even although it is still seven months away. Once again this year, the forum at the heart of the trade fair will devote itself to selected themes. The International Public Safety Forum has now become a permanent feature of the forums. Following their successful launch in 2014, the Trade and In-house Radio Forums will take place for the second time this year. Newcomers in 2015 will be the Energy Industry Forum, the Trainees' Forum and the PMR Forum.

As in past years, the PMR Conference and the Congress on Command and Control Centres will run in parallel to the trade fair. Attendees will receive up-to-date information, field reports and news of the following national and international topics, amongst other things:

- Digital radio technologies, broadband and LTE
- Frequencies
- Digital radio for the emergency services
- Power supply, smart grids, SCADA and cyber security
- Networked security and social media
- Civil defence
- Power supply to properties
- Emergency services and industrial control centres
- NG112
- Status of the Bitcom and the German professional mobile radio association joint working party on control centres for the emergency services
- Legal aspects of operation of a modern control centre
- Ergonomics and DIN standards

Up-to-date information about the trade fair and the programme can be found at www.pmrexpO.de/en.

PMRExpo, an international trade fair for Professional Mobile Radio and control centres, will now take place for the 15th time. Koelnmesse has been its home since 2009. A large number of national and international exhibitors are attending, e.g. manufacturers, users and operators of professional mobile radio systems. The German Association for Professional Mobile Radio (PMeV) is the ideal sponsor of PMRExpo. The organiser is EW Medien und Kongresse GmbH, Frankfurt am Main

www.pmrexpo.de

PMeV, which has its registered office in Berlin, is an association of leading suppliers and users of communications systems for mobile professional use... Its members are manufacturers, system vendors, application integration companies, network operators and users. PMeV's objective is to develop the professional mobile radio market in Germany still further. For this purpose, and as the leading centre of excellence in the field of professional mobile radio, it is offering a forum for a neutral, cooperative dialogue with market partners, politicians, authorities and institutions, independent of manufacturers.

EW Medien und Kongresse GmbH, Frankfurt am Main, is a leading information provider to the energy and water industry in Germany and supplies up-to-date industry-sector knowledge across different media channels from a single source. EW works under the slogan "Knowledge is our energy" every day to gather and process the most important information for the sector. Quality, topicality and practical relevance are always at the forefront. Due to its proximity to the German Federal Association of the Energy and Water Industry (BDEW), EW can react quickly to current political and legal developments. EW also organises events on topics relevant to PMR, such as the PMR information day for utilities, the symposium on stand-by duties, events covering emergency and crisis management and, since 2013, PMRExpo as well.
