# PMRExpo 2019: the leading European trade fair is ready for take-off

PMRExpo 2019 is ready for take-off: from 26 to 28 November 2019, the leading European trade fair for secure communications will welcome exhibitors and visitors from all over the world to the Koelnmesse, the exhibition grounds in Cologne. Over the course of the three days, over 230 exhibitors from Germany and across the globe will present their products over an area of 4,900 m<sup>2</sup>. 88 international exhibitors from 21 countries and all five continents will take part. PMRExpo is a top global event in the sector. Over 4,300 visitors from Security Authorities and Organisations (BOS), the industry, energy sector, passenger transport, logistics and specialist trade are expected to attend PMRExpo at the Koelnmesse.

### Trends, Discussions, Networking, Presentations

PMRExpo is an international marketplace for ideas and solutions concerning all aspects of secure communication. For visitors from Germany and abroad, the trade fair offers a platform for international networking and an exchange of know-how. As such, it provides the perfect framework for identifying new trends, stimulating discussions with experts, and for establishing or intensifying long-term business relationships. With its key elements - the trade fair, the Summit Secure Communication and the Symposium Energy Industry - PMRExpo is truly unique in size and spectrum in Europe. Additional specialist forums offer an opportunity to discuss current topics in depth with experts in a small circle. All the components of PMRExpo have a strong focus on direct discussions and interaction between speakers and the audience.

***PMRExpo**, the leading European specialist trade fair for the Secure Communications Network, is taking place for the 19th time. Since 2009, it has taken place at the Koelnmesse, the trade fair location in Cologne. A substantial number of national and international exhibitors are represented, including manufacturers, users and operators of professional mobile radio systems. PMeV - Netzwerk Sichere Kommunikation is the conceptual sponsor of PMRExpo. The event is hosted by EW Medien und Kongresse GmbH.

***PMeV** is an association of experts for communications solutions in mobile professional mobile radio systems. Their members comprise manufacturers, system and application houses, as well as network operators and users. The aim of PMeV is to develop the PMR market in Germany. It showcases the significance of PMR solutions for businesses and the economy and influences the political and regulatory conditions for the use of professional mobile radio systems. As a leading key expert for PMR in Germany, the association offers a dedicated forum for a neutral, manufacturer-independent dialogue at eye-level with market partners, politics as well as with the authorities and institutions. In addition, PMeV offers manufacturers, users and decision makers a neutral dialogue platform to evaluate technologies and discuss the opportunities and risks of technical solutions and concepts. PMeV promotes standards and actively contributes to their further development to meet the demands of the German market.*

***EW Medien und Kongresse GmbH** is a leading information supplier for the energy and water sector in Germany and provides current sector knowledge across all media from a single source. In line with our motto of 'Knowledge is our Energy', EW strives every day to compile and present the most important information relating to this sector. In so doing, our focus is on quality, currency and practical usefulness. Thanks to its closeness to the Federal Association for the Energy and Water Industry (BDEW), EW can respond quickly to current political and legal developments. EW also organises events on PMR issues, e.g. the PMR Info Day for utilities, a specialist conference on emergency services, events related to emergency and crisis management and, since 2013, the PMRExpo.*
